

Florida: Gulf County Projects

Phase III Early Restoration Projects

PROJECT DESCRIPTIONS

The *Deepwater Horizon* Natural Resource Damage Assessment Trustees have selected four recreational use projects in Gulf County. As a result of the Deepwater Horizon oil spill, the public's access to and enjoyment of their natural resources along Florida's Panhandle was denied or severely restricted. These four recreational use projects seek to enhance and/or increase the public's use and/or enjoyment of those natural resources.

The Gulf County Recreation Project: Highland View Boat Ramp project will repair and enhance the existing boat ramp, replace existing access and termination piers, and improve the parking at the existing Highland View boat ramp.

The Gulf County Recreation Project: Improvements at Beacon Hill Veterans' Memorial Park Improvements project will construct pavilions, restrooms, a nature trail, a parking area, and a small amphitheater at the existing Beacon Hill Veterans' Memorial Park.

The Gulf County Recreation Project: Windmark Beach Fishing Pier Improvements project will construct a new fishing pier at Windmark Beach in Gulf County.

The Strategically Provided Boat Access along Florida's Gulf Coast: City of Port St. Joe, Frank Pate Boat Ramp Improvements projects will construct an additional boarding dock, boat trailer parking, access drive, staging area, and a fish cleaning station

PROJECT COSTS

The Gulf County Recreation Project: Highland View Boat Ramp project is \$176,550.

The Gulf County Recreation Project: Improvements at Beacon Hill Veterans' Memorial Park Improvements project is \$588,500.

The Gulf County Recreation Project: Windmark Beach Fishing Pier Improvements project is \$1,353,550.

The Strategically Provided Boat Access along Florida's Gulf Coast: City of Port St. Joe, Frank Pate Boat Ramp Improvements projects is \$806,972.
